

## *Special Events*

*Set in Fiji's popular "Mamanuca" archipelago amongst pristine waters, Malolo Island Resort is the perfect tropical backdrop for special events, groups and weddings. With only 46 rooms, Malolo provides the ideal location for small, intimate groups or exclusive use.*

### **Exclusive Use**

This is when a group takes over the entire resort and its facilities and can make use of all venues at their discretion. The resort becomes exclusive and no external visitors are permitted.

Exclusive use is required when the group size is above 50 people (up to max. 100 and subject to seasonality), a minimum 3 night's stay policy applies and all 46 bures must be paid for.

There is also an "exclusive use fee" of one night's additional accommodation – this is to account for the falls in occupancy pre and post the group stay.

### **Small to Medium-Sized Groups**

Due to the small and intimate nature of the resort, we restrict non-exclusive use group bookings to under 50\* guests (subject to seasonality). Whilst we are committed to the requirements and wishes of small to medium-sized groups, we also ensure we're mindful of the experience of our other in-house guests.

For this reason some venue restrictions apply. A minimum 3 night stay applies for all non-exclusive groups.

## Weddings

The ceremony takes place at the couples' own choice of romantic locations including the beach at sunset, the arrival Jetty, or amongst the lush gardens or by the pool.

Weddings at Malolo are usually performed along the beachfront, embracing the true essence of a tropical island destination wedding. Beach ceremonies are dependent upon weather and tidal conditions of the day. Inclement weather options are also available. We can supply a basic ceremony set-up, or we can offer more elaborate set-ups depending on numbers and requirements.

Please contact our wedding coordinator on [weddings@ahuraresorts.com](mailto:weddings@ahuraresorts.com) for further information and pricing.

For the wedding couple, we have several secluded romantic venues available for that special dining experience should you it be just the two of you, including the Arrival Jetty, beachside by candlelight or a table for two at Treetops. A limited range of wedding cakes can also be made to order. Ask our wedding coordinator for further information.

## Treetops Restaurant

For group wedding events, we have our own "Island Vintage" Theme. Located along the verandah, opposite the Terrace Restaurant, overlooking the adults' pool, lounge areas and lush gardens, Treetops is our dedicated venue for this event (venue exclusive use only). Offering a relaxed and intimate dining experience for guests 13 years & over, Treetops is fully air-conditioned, has its own bar area and outdoor deck, and is available for sole use groups.

We are also able to organise set menus and buffet options depending on the group's size. A standard charge of FJ\$750.00 applies for exclusive use of the Treetops venue for any sized group and if taking exclusive use, the age restriction is lifted.

See our Menus for further information.

Treetops can accommodate 40 guests in air conditioned comfort, or 60 guests if utilizing the outside verandahs and deck.

See our Floor Plans for further information.

## Special Set-ups & Themes

In addition to our Island Vintage Theme, we can offer other suggested themes.

We can also organize special dining areas for children in a group if required, depending on numbers.
