ISLAND • FIJI

## Private/Group Dining Policies & Conditions

We understand how wonderful it is to travel as a group, especially with family and friends. Malolo is a small, intimate resort with only 46 rooms. Our dining areas and bars are also not large and therefore, big group tables can affect the efficiency of the operation, service delivery and general ambience for everyone, especially during high occupancy periods.

In order to balance the experience for all our guests, the following group dining policies and conditions apply:

### **Beach / Jetty Dinner**

- Maximum 4 guests (children welcome). Unfortunately, we are unable to accommodate groups larger than 4 guests for Jetty/Beach Dinners
- Bookings must be made 24 hours in advance and are weather and/or tide dependent
- Guests are required to pre-order their meals. Meals can be selected from the Beach Bar or Terrace/Treetops A la Carte menus
- Set-up fee is F\$125 per booking
- Not available on Saturday nights
- Maximum of 1 Jetty/Beach Dinner per night

### **Group Dining**

- Maximum table size is 8 guests in all restaurants for all dining periods
- For tables of 9 to 16 people, prior approval from the Food & Beverage Manager is required and restrictions may apply to the time and date of your booking (ie. we may request your group has an early sitting of 6pm or a late sitting of 8pm) – this includes sole use of the Treetops outside deck.
- For groups larger than 16 people, exclusive hire of Treetops Restaurant is required (F\$750 venue hire fee). Exclusive hire of Treetops is preferred on Saturday evenings.
- We require groups of more than 16 people to order from a set menu.
