MALOLO ISLAND RESORT NAMED “OCEANIA’S LEADING BEACH RESORT” FOR THE SECOND YEAR RUNNING WORLD TRAVEL AWARDS 2020

Malolo Island Resort Fiji is delighted to announce that for the second consecutive year, it has been awarded Oceania’s Leading Beach Resort at the 2020 World Travel Awards.

The World Travel Awards (WTA) recognise, acknowledge and celebrate excellence in travel, tourism and hospitality. Malolo Island Resort in Fiji’s Mamanuca archipelago received the prestigious award after attracting the most votes from consumers and travel industry professionals around the globe.

Ahura Resorts owner and Managing Director Tony Whitton says: ‘We are as always, humbled and honoured to receive accolades of this stature – and even moreso for the second year in a row. This year has been extremely challenging and difficult for us and so many others, and whilst we haven’t been able to welcome guests to Malolo for most of 2020, we are thankful and grateful that our legacy is strong enough to still be able to inspire confidence in and acknowledgement by those who kindly voted for us in these World Travel Awards.

We’d like to once again thank our loyal guests, travel industry partners and our incredible Malolo team who are dedicated to creating magical Malolo memories for all. We are proud to be a Fijian family business and see the entire team’s hard work and commitment contribute to Malolo’s wonderful reputation among guests and travel and tourism industry professionals alike. We look forward to welcoming back our valued guests in 2021’.

Multi award-winning and 100% Fijian-owned, Malolo resort is an idyllic Fiji island paradise where guests can escape the stresses of modern living and relax among golden sandy beaches, abundant coral reefs, swaying coconut palms and azure seas.
