

PCR and Rapid Antigen Testing at Malolo Island Resort

Malolo Island Resort in partnership with **VanMed** Labs Fiji (a Fiji Ministry of Health approved COVID-19 Testing Lab), is providing all resort guests of eligible age, the following:

Rapid Antigen Test (RAT)

(Fiji Government requirement after 24hrs in the country and/or required by certain home countries to re-enter)

Covid RT PCR Test

(Required by certain home countries to re-enter)

Rapid Antigen test (Day 2 of your stay/24hrs after your arrival into Fiji) will be conducted at the Resort with results available immediately. If you have arrived from another resort either on the mainland or island, a RAT will be required on day of arrival.

Covid-19 RT PCR swabs will be taken in the morning (**96-72 hours*** prior to your international departure) at the Resort and sent to the **VanMed** Lab located in Nadi with results available within 24hrs (Australia requirement)

Costs are as follows in Fiji Dollars including all Taxes:

Rapid Antigen Test **FJD\$45.00pp** (Approx.AUD\$29.00/USD\$23.00)

Covid-19 RT PCR Test **FJD\$180.00pp*** (Approx.AUD\$117.00/USD\$90.00)

**Includes cost of swab storage & boat transfers to the Lab in Nadi.*
