MALOLO ISLAND RESORT WINS BEST SUPERIOR ACCOMMODATION AWARD *at the 2022 Fiji Excellence in Tourism Awards*

Ahura Resorts is delighted to announce that its Malolo Island Resort has been awarded “Best Superior Accommodation 2022” at the annual ANZ *Fiji Excellence in Tourism Awards* on February 25th. This is the 7th time Malolo has won this prestigious award since 2010.

The ANZ *Fiji Excellence in Tourism Awards* are judged by local business and tourism professionals. More than 500 people from the Fiji travel industry, including major hotels, airlines, tour operators and tourism service providers, were present at this year’s Awards event – the first since 2019 and after the country reopened.

100% Fijian family owned and already multi award-winning, Malolo is a firm family favourite. An idyllic Fijian island paradise, Malolo guests escape the stress of modern living amongst golden sandy beaches, abundant coral reefs, swaying coconut palms and azure seas, whilst being surrounded by genuine Fijian warmth and hospitality.

Ahura Resorts owner and Managing Director, Tony Whitton said, “Receiving this award is especially gratifying as we celebrate the last 14 months of being open again after the two years of Pandemic closure. It is a testament to our entire team of management and staff who have worked so hard to get Malolo back up on her feet to shine once again, and who continue to deliver amazing guest experiences and wonderful memories. My wife Brigid and I would like to thank the Fijian and greater travel and tourism industries, our loyal guests, and our amazing team.”
