PADI TRAINING COURSES

PADI Open Water Course:

PADI® Open Water Diver is the first scuba certification level. Our highly-trained PADI Instructor will teach you how to scuba dive in a relaxed, supportive learning environment. By the end of the course, you'll have the skills and knowledge to dive at home or abroad independently with a buddy.

Time Requirement: eLearning Theory + 3 Days practical training

Qualified To: Dive with a buddy to 18m

PADI Advanced Open Water Course:

Experience new adventures with an instructor by your side. The Advanced Open Water Diver course is all about advancing your skills. You'll practice navigation and buoyancy, try deep diving and make three specialty dives of your choosing.

Time: eLearning Theory + 2 Days practical training

Qualified to: Dive up to 30m with a buddy

PADI Rescue Course:

Improve your confidence and become a better dive buddy. The PADI® Rescue Diver course will change the way you dive – in the best possible way. Learn to identify and fix minor issues before they become big problems, gain a lot of confidence and have serious fun along the way.

Time: eLearning Theory + 2 Days practical training

PADI Scuba Diver Course:

If you're short on time but really want to become a diver, the PADI Scuba Diver rating might be right for you—particularly if you expect to go scuba diving primarily with a dive guide in the future. This course can be used as an intermediate step for earning the Open Water Diver certification and can be upgraded in the future.

Time: eLearning Theory + 2 Days practical training

Qualified To: Dive with a PADI Professional to 12 meters
